MEMBER PAYMENTS RESPONSIBILITY

You are responsible for deductibles, amounts above the maximum allowed, amounts up to the out-of-pocket maximum, and your coinsurance. You must pay charges for Services not covered under this contract. You may be responsible for some part of the premium.

CLAIM PROCEDURES (How to File a Claim)

If your Provider participates with Delta Dental, the claim form will be filed by your Provider. The patient must sign the form to permit release of the information to Delta Dental.

If you elect treatment from a Provider who does not participate with Delta Dental, you may need to file your own claim. If you are covered by more than one dental plan, you should file all of your claims with each plan.

Delta Dental will not pay claims submitted more than 12 months after the date of service was provided.

PRE-TREATMENT ESTIMATE

Before starting treatment that may cost \$400 or more, you may request an estimate of what is covered. Pre-treatment estimates are not required and are provided as a services to the covered person and the Provider.

GENERAL POLICY PROVISIONS

AGREEMENT WITH STATE LAW

Any requirement in this Contract which on its effective date is in conflict with the laws of the state in which any Covered Person lives is hereby changed to the minimum requirement of such laws.

COORDINATION OF BENEFITS (COB)

Coordination of Benefits means taking other Plans into account when paying Benefits. Coordination of Benefits will apply when a covered person is covered under more than one Plan. The Benefits of this Plan will be coordinated with the other Plan(s).

Plan: A Plan that pays or provides for dental services on a group or individual basis. This includes group and blanket insurance, self-insured and prepaid plans, automobile insurance and government plans (except Medicaid).

Primary Coverage: The plan that must pay first. The Primary Coverage must pay up to its full liability.

Secondary Coverage: The plan that must pay a claim after the Primary Coverage has paid its part.

The rules for the order of benefit payment are summarized below.

- The Plan provided a covered person as a Subscriber will be primary to a policy on which the covered person is a dependent.
- For dependent children, primary and secondary coverage will be determined as follows:

*The Plan of the parent whose birthday occurs earlier in the year will be primary, or;

* If the parents are separated or divorced, the Plan of the parent who is ordered by court decree to pay for dental expenses will be primary, or;

* The Plan of the parent with custody is Primary and if the custodial parent has remarried, the stepparent's Plan is Secondary and the Plan of the parent without custody pays third.

- If the above rules do not establish an order of benefit payment, the Plan that has covered the Person the longest will be Primary. If that Plan covers someone who has been laid off or is retired it will be Secondary to any other Plan.

- A group Plan that does not contain a Coordination of Benefits clause is primary.

If this Plan is Primary, we will pay claims without regard to benefits provided by any other Plan. If this Plan is Secondary, we will pay claims so that together with the other Plan payment will not exceed 100% of the allowable expense or this Plan's maximum benefit.

SUBROGATION

Delta Dental, on behalf of the CU Health Plan, has the right to enforce on its own, or with a covered person, a claim against a third party up to the amount paid by Delta Dental, on behalf of the University of Colorado Health and Welfare Trust (Trust). If Delta Dental, on behalf of the Trust, pays a claim for injuries to a covered person and the covered person settles with a third party for an amount that includes such costs, the covered person must refund Delta Dental, on behalf of the Trust, the amount equal to the benefit payment made to, or on behalf of, the covered person.

TERMINATION/ NONRENEWAL/CONTINUATION

Coverage will terminate at the earliest of:

- The last day of the month Delta Dental receives a written request to cancel coverage;
- The last day of the month in which you become ineligible for coverage;
- The date the Contract terminates;
- The end of the period for which Premium is paid;
- The date a covered person enters full-time military service of any country; or
- As to any Dependent, the date the person no longer qualifies as a Dependent. Loss of Dependent status can occur for many different reasons. Your employer may not know when this happens. Therefore, you are required to notify your employer within 60 days of the event or the loss of coverage, whichever is later.

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985)

Covered persons may be able to continue coverage through COBRA. The benefits will be the same as the benefits active Subscribers receive. The Covered person must pay the entire Premium, which cannot exceed 102% of the cost for an active Subscriber with the same Plan. You should contact your employer to determine if you are able to continue coverage through COBRA.

Continued Health Coverage required by the State of Colorado

If you are not eligible for COBRA you may be eligible to continue coverage for up to 18 months under State Continuation. Contact your employer to learn if you are eligible to continue coverage through state continuation.

EXTENDED COVERAGE

Your CU Health Plan dental benefits will end if this Contract is terminated or if your coverage is cancelled. Delta Dental, on behalf of the CU Health Plan, will cover no further care or Services with the exception explained below.

If a Covered Service was Started before cancellation, but the Covered Service is Completed after Delta Dental cancellation, Delta Dental, on behalf of the Trust, will pay Benefits for the Covered Service as follows:

- Benefits will be paid in the amount that would have been paid and subject to the same terms and conditions of the Contract that would have applied, if the Person's coverage was still in effect.
 - Benefits are payable if the Covered Service is Completed within 60 days after the date the Person's coverage ended.
