

# CU PROVIDER PROFILE

## How to Update

The first step to providing excellent care is ensuring the right patients can find you.

[www.CUmedicine.us](http://www.CUmedicine.us)

### LOGIN

Click the [Update My Profile](#) link in the footer of any [www.CUmedicine.us](http://www.CUmedicine.us) webpage to login with your CU email account.

You can update your profile after your official start date at the CU School of Medicine.

How to Update Your Online Provider Profile

### REQUIRED DATA

The following fields need to be maintained to make your profile useful to patients and referring providers.

- Clinical Practice Location(s)
- Hospital Affiliation(s)
- Clinic Phone Number(s)
- Specialties
- Graduate and/or Medical School Degrees
- Conditions & Treatments

### HIGHLY RECOMMENDED

The following fields allow you highlight your areas of expertise and help patients and providers find you via online search results. Please include any key words you want to be associated with.

- Care Philosophy
- Clinical Interests for Patients
- Clinical Interests for Referring Providers
- Personal Interests

*Please note, your credentials and academic titles are maintained at the department level via the CU SOM faculty affairs office. Email [SOMSupport@ucdenver.edu](mailto:SOMSupport@ucdenver.edu) to request credential and academic title changes.*

### PROFILE ACTIVATION

CU Medicine utilizes an automated process to enable and make your profile searchable and available to the public. Email [WebHelp@CUmedicine.us](mailto:WebHelp@CUmedicine.us) if you are not showing up in search results or if you'd like to "opt out" of having a public facing, online provider profile.

### AFFILIATED WEBSITES

Your CU Medicine profile data is stored in the CU School of Medicine's Faculty Information System (FIMS) and further utilized to share your profile data with UHealth and Children's Colorado (i.e. online provider profiles). Your profile data is also utilized to help maintain insurance provider rosters via CU Medicine.

### CONTACT

Email [WebHelp@CUmedicine.us](mailto:WebHelp@CUmedicine.us) to ask questions about your online profile(s) and inquire about professional photo sessions we offer on a quarterly basis. NOTE: We encourage Children's Colorado Hospital providers to utilize their CHCO photos taken at their Children's orientation.
